

IEEE Israel ICSEE 2026

International Conference on the Science of Electrical Engineering

March 11-12, 2026 | Ramada Hotel, Jerusalem

Call for Papers!

We invite students and professionals, from academia, research labs and industry, to contribute papers reporting on your latest achievements in the broad disciplines of electrical engineering to the International Conference on the Science of Electrical Engineering (ICSEE 2026), the biennial meeting of the IEEE Israel Section, which will take place in Jerusalem, Israel, on March 11–12, 2026.

Submission Guidelines

Authors are invited to submit original, unpublished research contributions, in two-page summary paper form using the IEEE conference paper template. Contributions to the conference will be reviewed and decided upon by the technical program subcommittees and be assigned to oral or poster presentations pending acceptance. Authors will be given the option to upload their conference paper to IEEEExplore for archival purposes.

Conference Topics

Submissions are invited in wide areas of electrical engineering, according to the following program subcommittees (to be selected at submission):

1. Communications and Information Theory
2. Signal and Image Processing, and Control Theory
3. Microwaves, RF Circuits and Antennas including Propagation
4. Electron Devices, Solid State Circuits and Systems
5. Optics, Electro-Optics, and Photonics
6. Computers, Architecture and Networking
7. Cyber-Physical Systems, Internet and Information Security
8. Artificial Intelligence and Machine Learning
9. Vehicular Technology, Robotics and Autonomous Navigation
10. Power Engineering, Industrial Electronics and Applications
11. Electronics Packaging, Electromagnetic Compatibility, and Product Safety Engineering
12. Engineering in Medicine and Biology
13. Quantum Technologies and Engineering

Important Dates

- **Paper submission deadline: November 14, 2025**
- Notification of acceptance: January 9, 2026
- Conference dates: March 11–12, 2026
